

TSC Milk Snack of the Year!

An award for the best business partner!

An excellent partnership needs to be rewarded! That is why TSC created a whole new award for its best business partner during the last year.

The first winner of the "Milk Snack of the Year" is the German based Edeka headquarters. The handover of the award took place in the beginning of March 2020 by TSC, where the company expressed its appreciation for the great cooperation in 2019.

The "TSC Milk Snack of the Year" will be awarded next year as well for sure but it will be exciting to see, whether Edeka will defend its victory or a new winner will be selected.
